Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — *Applied Marine Technology, Inc., Virginia Beach, Va., is being awarded an \$18,680,759 indefinite delivery, indefinite quantity, cost plus fixed fee, performance based type contract to provide engineering and management support services in support of Department of Homeland Security Office of Domestic Preparedness implementation of a national exercise strategy and National Exercise Program TOPOFF 3. This contract will include training of the national homeland security team through practice events and assigned missions. Work will be performed in the contractor's facilities located in Arlington, Va. (30%), Newark, N. J. (25%), New London, Conn. (25%), Ontario, Canada (10%) and the United Kingdom (10%), and is expected to be completed by August 2005. Contract funds in the amount of \$7,400,000 will not expire at the end of the current fiscal year. This contract was not competitively procured. The notice of intent to solicit on a sole source basis was posted on the SPAWAR Systems Center E-Commerce website on 8 Dec 2004. The Space and Naval Warfare Systems Center, Charleston, S.C., is the contracting activity (N65236-05-D-7860).

**Applied Marine Technology, Inc., is a small, veteran-owned business.*
